ECC006 Homework Assignment #9

Write a web page that contains a music survey form similar to the example shown in Figure 9.34. Include the following form controls:

• Text box for name
• E-mail address input form control for the e-mail address
• A scrolling text box that is 60 characters wide and 3 rows high
• A radio button group with at least three choices
• A check box group with at least three choices
• A select box that initially shows three items but contains at least four items
• A submit button
• A reset button
• Use the fieldset and legend elements as shown in Figure 9.34 to configure the display of form areas with radio buttons and checkboxes.
• Tag to invoke server-side processing using http://www.uyar.com/teaching/ecc006/2017spring/login.php

Use a CSS to configure the display of your form. Save the page as form9.html
